

## New Jersey Rangers FC Inc Parent Code of Conduct

NJRFC asks your support and cooperation as parents whose child (children) are participating in the NJRFC program.

Please recognize that the coach of your child's team is also responsible for your behavior at games. We encourage you to enjoy watching matches, but remember to be positive in your comments. Support your child and his/her teammates by being a positive role model regarding sportsmanlike conduct.

As a proud parent of a player for the New Jersey Rangers FC, I agree to the following to set a good example for our child in his/her soccer development:

- I will not coach/instruct "side line coach" the players that is the coach's role not mine.
- I will respect and encourage all players, coaches, and officials.
- I will try to find the "little successes" that my child has at each match and focus more on the development of him/her as a soccer player rather than just winning.
- I will not criticize the referee openly or directly during or after the games even if the referee makes a mistake. Any feedback shall be done in writing to the NJRFC board rep assigned to my team for forwarding onto the league in question.
- I will encourage my child to abide by the rules of the game and maintain a high level of good sportsmanship.
- I will support the decisions our coach makes and in so doing support the players and the team as a whole.
- I will make sure that my child arrives on time and prepared for all games, practices and any other soccer functions according to the times set forth by the coach and or team manager.
- I will not interrupt a coach prior to, during, or directly after a game. To resolve issues I will instead discuss issues concerning my child with the coach privately. If this does not have a satisfactory outcome, I will contact the Director of Coaching.
- I will work with the team manager to ensure that all the administrative tasks requested of me and my child are completed in a timely manner as requested of by the team manager.
- I understand that the team manager is not responsible for nor can he/she act on a player or parent's concerns regarding my child's development and or playing time.

By signing this code of conduct, as a New Jersey Rangers FC parent, I agree to conduct myself in a positive manner at all times, to respect the game and support the club, players, coaches, and officials, and to promote the growth of my child athletically and emotionally as a soccer player. I understand that upon review the NJRFC executive board can, and will if necessary, suspend our individual privilege to watch our child's matches should we behave in a manner that is considered rude or otherwise offensive or disruptive to the players, coaches, and or officials.
